Unresponsive Couple Found in Vehicle Leads to One Arrest

On January 20, 2022, at approximately 8:15 AM, Manchester Police responded to the area of 49 Pennacook Street for a report of two unresponsive people in a car.

When police arrived they knocked on the car window and the male and female inside both woke up. The male party first gave police a fake name, but was later identified as 40 year old Jason Kenyon of Manchester. While speaking to Kenyon, officers could see a knife in the drivers seat near the small of his back.

Dispatch informed officers that Kenyon had a parole violation warrant for Possession of a Controlled Drug and Felon in Possession of a Dangerous Weapon. There were also current warrants for his arrest from Nashua PD for Sales of a Controlled Drug. When police attempted to arrest Kenyon he pulled away from them and reached toward the knife. He struggled with officers, but was eventually removed from the car.

A bag of powder, believed to be heroin was located in his pocket. Kenyon was able to grab the bag with his teeth and swallow some of the contents.

Along with the outstanding warrants, Kenyon was charged with Felon in Possession of a Deadly Weapon, Possession of a Controlled Drug, Falsifying Evidence, and Resisting Arrest. Kenyon will be arraigned in Hillsborough Superior Court- North today (1/21/22).
